ABOUT ME

I am a dedicated construction professional with a strong educational background in civil engineering, complemented by practical experience as a Quantity Surveyor. My career has encompassed roles with leading companies, where I've gained expertise in construction oversight, Quantity Take off, Bar-Bending Schedule, Rate Analysis, IPCs and Estimation project collaboration. With certifications in Quantity Surveying and Building Construction, I bring a comprehensive understanding of project management, proficiency in tools like AutoCAD and Plan Swift.

(Total over all experience more than 6 years)

Worked with:
