

Dear Hiring Manager,

I am writing to express my interest in the Estimation Engineer position at your esteemed company. With a background in construction estimation, procurement, and site engineering, I am confident in my ability to contribute effectively to your team.

In my current role as a Junior Estimation Engineer at China Gansu International Economic and Technical Cooperation Co. Ltd (CGICO), I have honed my skills in tender searching, bid preparation, and rate analysis. My experience includes working on high-value projects such as the 5B Infrastructure Project, Road Projects (6.45B, 8.25B & 10.4B) and the 6B Treatment Plant, where I successfully managed cost estimation and bid preparation, ensuring competitive and accurate proposals.

I am particularly excited about the opportunity to contribute to your projects' success by providing accurate estimates, preparing detailed BOQs, and collaborating effectively with stakeholders.

Thank you for considering my application. I look forward to the possibility of discussing how my skills and experiences align with your needs.

Sincerely,

Sadam Ahmed Qureshi
