

KINZA AAMIR

CIVIL ENGINEER (CIVIL/070355)

+92-307-9002545

kinzamuhammadaamir@gmail.com

SUMMARY

I am a dedicated individual who is ambitious to work hard as a part of team as well as under own initiative. I have good communication skills and I am able to cooperate with colleagues and clients in a professional manner. I am highly self-motivated and goal driven. I am able to follow instructions to maintain a high work output with accuracy, efficiency and excellent time scheduling. I am highly eager to gain skills in designing and overseeing construction of infrastructure projects, ensuring adherence to safety and quality standards.

EDUCATION

SEP 2023 - Onwards

COMSATS University Islamabad, Abbottabad Campus, Pakistan

Masters in Structural Engineering

CGPA: 4.00/4.00

SEP 2019 - AUG 2023

COMSATS University Islamabad, Abbottabad Campus, Pakistan

Bachelors in Civil Engineering

CGPA: 3.84/4.00

Registered with Pakistan Engineering Council, Accredited by Washington accord

SEP 2017 - JULY 2019

Islamia College for Girls, Peshawar, Pakistan

Pre-Engineering

Marks: 962/1100

MAR 2015 - JULY 2017

New Islamia Public School and College, Charsadda, Pakistan

Science subjects

Marks: 1020/1100

EXPERIENCE

JAN 2024 – APR 2024

Defence Housing Authority, Peshawar, *Trainee Engineer*

Contract management, Project planning, Bidding, Quantity Estimation, BOQs

FEB 2023

COMSATS University Islamabad, Abbottabad Campus, *Survey Camp*

Road survey, contouring, traversing, triangulation, fly leveling

JAN 2021 - MAR 2021

Sarhad Engineering and Electrical Company, Peshawar, *Internship*

Road Survey, Site visits, and material testing

DEC 2019 - JUN 2021

IEEE Student Branch, COMSATS University Islamabad, Abbottabad Campus, *Event Head*

Event planning, team management, post event analysis, relationship building, innovation and creativity

AWARDS

Gold Medal

Awarded with gold medal for highest CGPA in bachelors at campus level

Awarded with gold medal for highest CGPA in all civil engineering departments at institute level

Chairman's CGPA Gold Award for highest CGPA

SKILLS

Technical and innovative minded, Complex problem solver, Project management, MS office (Microsoft word, Microsoft PowerPoint, Microsoft Excel, Microsoft Project), Strong communication, and report writing skills, AutoCAD, ETABs, PlanSwift, Primavera P6, Revit.

Major Courses: Structural Analysis, Environmental Engineering, Wastewater and Sanitary Engineering, Highway Engineering, Quantity Surveying and cost estimation, Surveying, Construction management, Reinforced Concrete Design, Steel Structures

RESEARCH

- ✓ Final year project on “Mechanical strength and Durability of pre-treated crumb rubber mortar with the addition of polypropylene fibers”
 - ✓ Research paper titled as “Linear and Non-linear Regression Analysis on the prediction of compressive strength of sodium hydroxide pretreated crumb rubber concrete” in engineering proceedings open access journal mdpi.
 - ✓ Conference paper titled as “Effect of Pre-Treated Crumb Rubber and Propylene Fibers on the Mechanical and Durability Properties of Mortar” in 2nd International conference on advances in civil engineering (ICACEE-2023)
 - ✓ Conference paper titled as “ Linear and Non-linear Regression Analysis on the prediction of compressive strength of sodium hydroxide pretreated crumb rubber concrete”, in 5th Conference on sustainability in civil engineering CSCE’23
 - ✓ Proposed a highway from Haripur to Abbottabad, and designed a comprehensive report of it, as a semester project
 - ✓ Designed three story residential building using AutoCAD and ETABs, along with a comprehensive report, as a semester project
 - ✓ Designed industrial steel structure in ETABs, and developed a comprehensive report of it
-
