[Dear Hiring Manager]

[Job title: Civil Engineer- Trainee]

[BID Winners]

Dear Hiring Manager

My name is Muhammad Awais, and I am a newly graduated, highly motivated civil engineer passionate about sustainable development and eco-friendly solutions. I am eager to apply for the quantity estimation position at **BID Winners**.

During my studies, I focused on quantities estimation design and analysis, construction management, and environmental impact assessment. I have developed innovative and efficient solutions through academic projects, showcasing my ability to apply theoretical concepts to practical scenarios.

I am excited about Bid Winners commitment to cutting-edge technology and sustainability. I am confident my fresh perspective and enthusiasm will benefit your team.

Thank you for considering my application. I look forward to discussing how my skills and passion align with your organization's goals.

Sincerely,
[Muhammad Awais]
