OBJECTIVE

Results-oriented professional with a proven track record in Construction Project Management, AutoCAD, and Front-end Development. Adept at leading teams through successful project lifecycles, utilizing strong communication and leadership skills. Seeking a challenging role where I can apply my expertise in project management, leverage technical proficiency in AutoCAD, and contribute as a front-end developer. Eager to join a forward-thinking organization where my skills in construction, design, and leadership will drive project success and innovation.

EDUCATION

Civil Engineering NUST Balochistan Campus	2021-2025
Ongoing	
Faculty of Science Windar Inter Collage	2019-2021
940/1100	
Metrication The Citizen Foundation School	2017-2019
880/1100	

EXPERIENCE

Construction Project Manager | Apex Builders Inc.

- Efficiently managed multiple construction projects, reducing project completion time by 15%.
- Oversaw project timelines, budgets, and quality control, ensuring compliance with safety standards.

Graphic Designer | Creative Creations Studios

- Produced visually compelling graphics for diverse clients, exceeding design expectations.
- Managed multiple design projects concurrently, meeting tight deadlines and client specifications.

Front-end Developer | Digital Innovations Solutions

- Led front-end development of web applications, improving user engagement by 20%.
- Collaborated with UX/UI designers to implement responsive designs using HTML, CSS, and JavaScript.
