

Omar Hasan
 B.Sc. in Civil Engineering
 Chittagong University of Engineering & Technology (CUET)

Address : Minapara, Jagati, Kushtia, Bangladesh
 Contact No : +8801784174151
 E-mail : omar.hasan.1301098@gmail.com

Career Objectives

To contribute my academic learning's and working experience to the project organization/company of world at my level best in a worthy manner. To broaden my working skills and background by getting more technical knowledge from new technology and global approach.

Career Summary

I, Omar Hasan, have graduated from CUET in Civil Engineering, in the year 2018. I have acquired over 5.0 years of diversified pragmatic experience in construction of Residential & Industrial Building, and Railway Embankment work. Work supervision, program preparation, Bar Binding Schedule preparation, quantity & cost estimation, construction materials procurement, quality control of construction work (QA/QC) work & materials, Railway embankment construction & supervision, progress monitoring, IPC preparation etc. of civil engineering works. I got sufficient skills to operate computer and can handle various civil engineering software like AutoCAD for making drawing & design.

Employment History

- | | |
|------------------------------------|--|
| Company Name | : Aamra Prakaushali Construction and Consultancy Firm |
| Position Hold | : Assistant Project Engineer. |
| Duration | : July 2018 to September 2019 |
| Name of Project | : Construction of Residential and Industrial Building and Master Drain for Infinia Group |
| Client | : Infinia Group |
| Duties & Responsibility | : The duties & Responsibilities in this project has been assigned in office & site based.
Following are the major office and site duties. <ul style="list-style-type: none"> • Preparing daily work schedule and Bill of Quantity Submit to higher authority. • Analyzing drawing and ensuring that work is going according to the following drawing. • Ensuring the availability of material and preparing BBS and supply for the work. • Monitoring the site work like pile construction, Base and Foundation construction, Column, Beam, Slab, Share wall, Plaster, Brick wall, Finishing work Construction. |
-
- | | |
|------------------------|--|
| Company Name | : China Civil Engineering Construction Corporation |
| Position Hold | : Earthwork and Embankment Engineer |
| Duration | : September 2019 to till date. |
| Name of Project | : Construction of Single Line Dual Gauge Railway Track from Dohazari to Cox's Bazar via Ramu, under ADB's South Sub Regional Economic Cooperation (SASEC). |

Client : Bangladesh Railway

Duties & Responsibility : The duties & Responsibilities in this project has been assigned in office & site based.

Following are the major office and site duties.

- Preparing daily, weakly & Monthly Progress Report of Project & submit to higher Authority.
- Respond to Request for Inspection/Information (RFI) and issue Work Instruction (WI) as required by the Resident Engineer. Review and approve GCC Work Plans and Inspection and Testing Plans (ITPS).
- Preparing & raising all the Embankment RFI, Checklist, Issue NCR and maintain the RFI.
- Analyzing technical drawings and providing material and cost estimates

- Monitoring the all earthwork Embankment construction related work Clearing & Grubbing, Backfilling, Separator Geotextile laying, PVD Installation work, High Strength Geotextile laying work, Embankment filling, Subgrade work & Sub-ballast work for railway construction as per approved design drawing and construction method statement.
- Monitoring the all Level Crossing construction related work Clearing & Grubbing, Backfilling, Embankment Filling, Subgrade filling, Sub-Base filling, Base course filling , Bituminous layer construction as per approved design drawing and construction method statement.
- Monitoring the PVD(Prefabricated Vertical Drain) work as per Drawing & Specification and also make sure the Quality Control of the work.
- Inspecting the quality control work about the test like FDD, MDD, Sand blanket test, CBR, Permeability and EV-2 test.

Academic Qualification

Exam Title	Concentration/Major	Institute	Passing Year
B.Sc.	Civil Engineering	Chittagong University of Engineering & Technology	2018
HSC	Science	Kushtia Govt. College, Kushtia	2013
SSC	Science	K.S.M Higher Secondary School, Kushtia	2011

Training Summary

Training Title	Topic	Institute	Country	Location	Year	Duration
Training Program on AutoCAD & ETABS	Drawing, Modeling & Design	Engineering Home	Bangladesh	Chittagong	2017	60 days

Relevant Computer Knowledge

AutoCAD, ETABS , MS Word, MS Excel, Power Point, Microsoft Project, Adobe Photoshop etc.

Language Proficiency

Language	Reading	Writing	Speaking
Bangla (Native)	Excellent	Excellent	Excellent
English	Excellent	Excellent	Excellent
