EDUCATION

B.Sc (Civil Engineering) (2019-2023)
Mirpur University Of Science and Technology
CGPA 3.25
Mirpur AJK

Pre Engineering (2017-2019)
BISE Mirpur AJK.
87%
Govt Model Science College Bagh AJK

Matric (2015-2017)
BISE Mirpur AJK.
90%
Govt High School Rairban Bagh AJK

EXPERIENCE

Work Experience (Value Engineering Pakistan)

I have five months of experience in quantity takeoffs and estimation with the concrete team at Value Engineering, a bidding enterprise. I'm familiar with estimation practices tailored to the US, Australia, and the UAE."

Two-Month Internship Experience

Concrete Solutions Private Limited

Enhanced my civil engineering skills through a two-month internship at Concrete Solutions Private Limited, with a focus on the Graceland Housing project.

Survey Camp

MUST

Participated in a 10-day survey camp held by MUST University in Khasanpur Ayubia, which focused on geospatial data collecting and land surveying procedures, hence improving practical skills in civil engineering.

Final Year Design Project

MUST

Led a team to create an exciting project on partial replacement of cement with waste materials (Brick powder and Steel slag) to meet sustainable development goal showing good problem-solving and project management skills.
