Duration: [July 2016 – July 2018]

- **Pre-Engineering (Read Foundation college Bhimber AJK with Grade A).**

HONOURS AND AWARDS

- **Media head of Idyllic youth society.**
- **Member of ASCE (American society of civil engineering).**
- **Best group nominated for final year project.**

DIGITAL SKILLS

AutoCAD / Microsoft office/ planswift/ Primavera P6 /SAP2000/

PROJECTS

FYP- the "Effect of Fly Ash on Properties of Concrete Mixed with Sea Water."

- I conducted research on the "Effect of Fly Ash on Properties of Concrete Mixed with Sea water.
- "The study aimed to evaluate how the inclusion of fly ash impacted concrete exposed to seawater, through extensive experimentation.
- I analyzed parameters such as strength, durability, and workability.
- The findings contribute to understanding sustainable construction practices and the potential benefits of incorporating fly ash in concrete for marine environments.

TECHNICAL SKILLS

- **Auto-CAD**
- **MS Office Suit**
- **Primavera P6**
- **Planswift**
- **Bluebeam**
- **RFMS Measure**
