

ALI JAVED

Civil Engineer

Phone: +923360374904

Email: ali27077@gmail.com | [LinkedIn](#)

SKILLS

Technical: Structural Design & Analysis, Project Planning, Construction Management, Technical Report Writing, Quantity/Cost Estimation, BOQ

Software: ETABS, Safe, AutoCAD, Revit, Primavera P6, Microsoft Office, Excel, Civil 3D, Plan Swift

PROFESSIONAL EXPERIENCE

Assistant Engineer (February 2024 – July 2024)

Engineering Consultants International (Pvt) Limited

| Karachi

Achievements/Tasks

- ✓ Reviewed survey data in the form of videos and marked road distresses in Excel sheets as part of the Road Asset Management System (RAMS) projects.
- ✓ Utilized advanced Excel skills at a professional level to calculate Pavement Condition Index (PCI) of roads in two steps: firstly, calculating individual survey IDs, and secondly, compiling all IDs to determine PCI value and rating.
- ✓ Utilized ROMDAS software to compile and analyse data, ensuring accurate PCI calculations and ratings.
- ✓ Compiled and reported PCI value and rating district-wise to the concerned client in a professional report format, ensuring clear and effective communication of results.

Internee Civil Engineer (July 2022 – August 2022)

National Engineering Services Pakistan (NESPAK) Pvt. Ltd

| Islamabad

Achievements/Tasks

- ✓ Observed and monitored soil retention system and foundation piles at the Pakistan Engineering Council's Additional Block construction site.
- ✓ Analysed construction drawings, contract documents (BOQs, RFPs, PC-1, etc.), and gained insight into the bidding process involving consultants and contractors.
- ✓ Created architectural and structural models using Revit in the Structural Division.
- ✓ Conducted analysis of multi-story structures using ETABS and designed foundations using SAFE.
- ✓ Designed typical road alignments and profiles using Civil 3D in the Highway Division.

Internee Civil Engineer (August 2021 – September 2021)

National Highway Authority

| Hyderabad

Achievements/Tasks

- ✓ Analysed tender/bidding and contract documents – BOQs, RFPs and PC-I etc.
- ✓ Performed basic tasks regarding alignment design of the road on AutoCAD and Civil 3D.

EDUCATION

Bachelor of Science: Civil Engineering (November 2019 – August 2023)

University of Engineering & Technology, Taxila – Punjab, Pakistan

| CGPA: 3.50
