Personal Profile Statement

I am a highly self-motivated, focused and innovative Civil Engineer with little experience in engineering cost estimation, project coordination, and in building construction. I have a passion for learning and developing new and existing skills. I enjoy problem solving using established analytical methods and engineering principles. I am keen to secure a challenging role in an engineering firm that offers early responsibilities and a progressive career path.

Education

[2020 – 2024] [Civil Engineering] [University of Engineering & Technology, Lahore]

[2018 – 2020] [F.Sc Pre-Engineering] [Punjab College of Science, Lahore]
