Dear
Mr. Rehan Tariq

5 Sep, 2024

I am writing to express my interest in the Construction Estimator position at **Bidwinners**. With a strong background in construction estimating and a proven track record of delivering accurate and timely project assessments, I am excited about the opportunity to contribute to your team.

In my previous role as a construction estimator at AESOM, I honed my skills in **analyzing project specifications, conducting material and labor cost estimations**. My ability to leverage industry-leading software such as **Bluebeam Revu and PlanSwift**, combined with my attention to detail, allowed me to consistently deliver estimates that aligned with project requirements and budgets.

I am eager to bring this versatility to **Bidwinners** and contribute to its continued success in delivering high-quality projects. I am particularly drawn to **Bidwinners** commitment to innovation and its dedication to delivering exceptional results for clients.

Thank you for considering my application. I am eager to further discuss how my skills and experience align with the needs of **Bidwinners**. I Can be reached by E-mail and phone.

Warm regards,

M.Hamza Khalid
