Summary

To obtain a challenging position as Mechanical engineer where I can apply my technical expertise, problem-solving skills, and passion for innovation to contribute to the success of organization. Though my analytical mindset and attention to detail, I am committed to delivering high-quality work and optimizing process. Skilled in Plan swift and Bluebeam with effective communication abilities.

EDUCATION

B.Sc. Mechanical Engineering 10/2020 –05/2024

UNIVERSITY OF ENGINEERING AND TECHNOLOGY, LAHORE (NEW CAMPUS)

Current CGPA: 3.2

F.sc Pre-Engineering 06/2018 –10/2020

Percentage: 89%

Matric Science

Percentage: 93% 06/2016 –07/2018

EXPERIENCE

Engineering Intern 07/2023 – 07/2023

Century Paper and Board Mill Limited

- **Gained** practical knowledge of tool shop operations involving lathe, milling, drilling, and CNC machines, and visit to a manufacturing shop
- **Analyzed** and optimized mechanical processes including pulp processing, paper machine operations, rolling and cutting, boiler operations, maintenance and repairing, and quality control processes
- **Orchestrated** a comprehensive health and safety workshop, implementing best practices in operations.

Trainee Engineer 07/2024 – 09/2024

Information Process Solution

- HVAC Takeoff
- Plumbing Takeoff
- Electrical Takeoff
- **Quickly** acclimated to the fast-paced environment

ACADEMIC PROJECTS

FINAL YEAR PROJECT 07/2023 - Present

Comparative analysis of energy recovery from municipal solid waste (MSW) of Lahore

- **Conducted** Comprehensive Research on Energy Recovery Methods from Municipal Solid Waste (MSW) in Lahore
- **Performed** In-Depth Comparative Analysis of Energy Recovery Methods analysis

SEMESTER PROJECTS

- Design and fabrication of R.R Moore rotating beam Fatigue testing machine
- Design and simulation of energy from wheat straw waste using Aspen Plus
- Design and simulation of Chain and Sprocket Mechanism using Solid work
- Generation of Biogas using Aspen Plus

AREAS OF INTREST

- Renewable Energy Management
- Power Plant
- Engineering Management
- Health, Safety and Environment
- Project Management
- Manufacturing Process

SKILLS

- Effective Communication
- Time management
- Team work
- Adaptability
- Problem solving
- Work under pressure

Software Skills

- AutoCAD
- Solid works
- Plan swift
- Blue beam Revu
- MS office
- Origin Pro

Certifications

Project Management
