EDUCATION

BSc Mechanical Engineering & Technology

GCUF

CGPA: 3.7

2018 – 2022

Faisalabad, Pakistan

Intermediate

Punjab College, Sargodha

2015 – 2017

Sargodha, Pakistan

PROFESSIONAL EXPERIENCE

Mechanical & Plumbing Estimator

ZOYA Estimation Services

05/2023 – 07/2024

Lahore, Pakistan

As a Mechanical and Plumbing Estimator,

- I am responsible for providing accurate and detailed cost estimates for mechanical and plumbing projects using PlanSwift and Bluebeam.
- My role involves analyzing project specifications, blueprints, and other documentation to prepare comprehensive bid proposals.
- Work within established budgets and provide cost-saving recommendations to optimize project profitability. Monitor and track project costs to ensure alignment with estimates.

Internship Trainee Mechanical

Nishat Apparel Unit 2

11/2021 – 01/2022

Lahore, Pakistan

- During my internship at Nishat Apparel, I gained hands-on experience with boilers.
- I also worked closely with compressors, learning about their maintenance and operation.
- Additionally, I assisted in the maintenance and optimization of chillers during my time there.
- These experiences provided me with valuable insights into industrial mechanical systems and their practical applications in manufacturing settings. Working alongside seasoned professionals enriched my understanding and skill set in mechanical engineering.

SKILLS

- Microsoft Office
- Planswift
- Bluebeam

CERTIFICATES

Computer Course

During this course at a private institution, I acquired proficiency in MS Excel, MS Word, MS PowerPoint, MS Windows, Inpage 2009, and MS Windows over a period of 4 months.

Oracle

I completed a 6 months Database Administration Course accredited by NAVTTC (National Vocational & Technical Training Commission).
