Re: Workplace certificate for Ms. Fatima Anjum

This is to certify that **Ms. Fatima Anjum** was an independent contractor with Forella Group and worked as a **Cost Engineer-1**. She has worked with Forella Group since **June 20, 2022**, till **Nov 30, 2022**. During her tenure with Forella, she worked on many projects including cost estimation, value analyses, price verification, databases management, quantity takeoffs, and so on. Ms. Anjum has presented herself very well throughout her stay with Forella Group. I wish her good luck with her professional career endeavors.
