RECOMMENDATION LETTER

I have known **Mr. Muhammad Shafi** registration number **20-CE-189** for past four years. I taught him as a BSc engineering student in the department of **Civil engineering, University of Engineering and Technology, Taxila, Pakistan**. My recommendation is based on his performance in the class

As a student **Muhammad Shafi** is a quick learner and hard working. He is fond of challenging and research-oriented tasks and can handle them independently with responsibility and commitment. He has the motivation, intelligence and analytical aptitude for research and development. He is extremely cooperative and enjoys very good reputation among class fellows. He bears a good moral character. With his determination and hard work, I have no doubt that he will succeed in all his endeavors.

I strongly recommend him for the Job/admission at your organization. Please feel free to contact me if you need further information

Sincerely,

Associate Professor
Civil Engineering Department
