

Kamran Ali

Civil Engineer

Iqama {valid & transferable}:

Iqama Number: 2585318518

Valid till **November 2025**

Professional Summary

I have approximately 5 years of construction experience as an engineer, with over 3 years in KSA. I hold a bachelor's degree in civil engineering. I am a highly skilled and dedicated civil engineer with a strong construction operations and Quality Control background. I am proficient in overseeing site activities, ensuring compliance with safety regulations, and delivering projects within budget and schedule. I possess excellent problem-solving and communication skills and can effectively collaborate with interdisciplinary teams. I am committed to providing high-quality results and exceeding client expectations.
