Dear Hiring Manager,

I am writing to express my interest in the Estimator position at Bidwinner, as advertised. With 2 years of experience in US estimation, specializing in material takeoff and construction estimation, I am excited about the opportunity to contribute to your team while further developing my skills in Mechanical, Electrical, and Plumbing (MEP) estimation.

During my tenure as a Project Manager in USA based estimation company, I honed my expertise in various aspects of construction estimation, including Structural, finishes, and shop drawings. I am proficient in utilizing tools such as Revit, Bluebeam, and Plan swift, Ms excel which has allowed me to increase efficiency and accelerate project timelines. My attention to detail and commitment to maintaining high-quality standards have consistently led to successful project outcomes.

I have had the pleasure of connecting with Rehan Tariq over the past year and have been inspired by his knowledge and leadership in the estimation field. Joining Bidwinner aligns perfectly with my career aspirations, and I am eager to learn from your experienced team while contributing to the company's success.
