Dear Hiring Manager,

I am writing to express my strong interest in the Civil Engineer position currently available at your organization. With a Bachelor's degree in Civil Engineering and 7 weeks of experience in the King's group of Builders in the field & 19 Months of experience at the Pinnacle Group of consultation in USA based estimation / Material Takeoff , I believe that I possess the necessary skills and expertise to make valuable contributions to your team.

I have experience in planning & managing d/f project tasks from inception to completion, ensuring that they are completed on time, within budget, and to the highest quality standards. I am also adept at using my problem-solving & critical thinking skills to identify and resolve project challenges, while effectively communicating with stakeholders to ensure project success.

During my final year of study, I completed a research project that I am particularly proud of. My project titled, structural audit of Old Rcc structures, aimed at Identifying critical structural members & preparing the audit report with suggestions of appropriate repairs required retrofitting to serve better its service life. My technical skills include proficiency in AutoCAD, Revit, PlanSwift other industry-standard software.

I am excited to bring this experience and dedication to your team. Thank you for considering my application. I look forward to the opportunity to discuss my qualifications further.

Sincerely,

Engr. Muhammad Hasnain
