SUMMARY

Enthusiastic and detail-oriented entry-level project scheduling and planning engineer with a background in civil engineering and project planning and management. Armed with a great understanding of engineering technologies, project planning principles and scheduling techniques, I possess a keen analytical mindset and proficiency in scheduling software. With excellent communication and organizational skills, I excel in coordination, progress tracking and reporting and facilitating effective decision-making process. Seeking an opportunity to apply my technical skills and passion for project management in a dynamic and collaborative environment.

KEY SKILLS

- | | |
|------------------------------------|---|
| 1. Site Management | 5. Microsoft Office (Word, Excel, PowerPoint) |
| 2. Construction Project Management | 6. AutoCAD |
| 3. Project Planning and Scheduling | 7. Estimation and Tendering |
| 4. Primavera P6 | 8. Communication and Presentation |

EDUCATION

2018-2021 **Master of Science (MS) Construction Engineering & Management**

National University of Sciences and Technology (NUST), H-12 Islamabad

(Subjects: Construction Planning, Scheduling and Control, Construction Contracts and Claims, Construction Health and Safety, Construction Supply Chain, Complex Systems and dynamics, Construction Project Administration)

2014-2018 **Bachelor of Science (BS) Civil Engineering**

COMSATS University Islamabad, Abbottabad Campus

2012-2014 **HSSC**

Punjab College, Multan

2012 **GCE O' Level**

La Salle H/Sec. School, Multan

WORK EXPERIENCE

National Disaster Management Authority (NDMA) Pakistan

05/2024 - Present

Position: Deputy Manager – Infrastructure

Tasks Performed

- Infrastructure resilience enhancement recommendations.
- Pre and post disaster damage assessment.
- Pre-disaster and post-disaster cost assessment through exposure and damage respectively.

- Ensured compliance with safety regulations and guidelines to maintain a safe working environment.
- Project scheduling and checked project performance in comparison with baseline.
- Made estimations for timescales and costs.

RESEARCH EXPERIENCE

BS RESEARCH

“Performance of Concrete using Shale Rock Aggregates at Room and Elevated Temperature”

CERTIFICATIONS AND TRAININGS

- Registered Civil Engineer, Pakistan Engineering Council (**CIVIL/53265**)
- Project Planning and Control with Oracle Primavera P6 PPM Professional
- AutoCAD
- Power BI for Data Analysis (On-going)

LANGUAGES

- English Advanced
- Urdu Native
- Punjabi Good

EXTRA-CURRICULAR ACTIVITIES

Media and Marketing Head

Society of Civil Engineers (SCE), CUI

Vice President

NUST Literary Society
