Summary

An ambitious Civil Engineer with a Bachelor's from the National University of Computer and Emerging Sciences, seeking a role to leverage my expertise in site engineering and project estimation. Having a skill set of Oracle Primavera P6. I aim to contribute to innovative construction projects and advance my skills in project management.

Skills

Technology / Tools • Oracle Primavera P6 • AutoCAD • HEC-RAS

Experience

Grey Structures

Lahore, Pakistan

Assistant Site Engineer

04/2023 - 06/2023

A consultancy company that provides Engineering Services for all types of structures along with Contract/Project Management services.

- Reviewed and implemented structural drawings in line with Defense Housing Authority-approved practices.
- Focused primarily on residential construction projects within DHA Lahore.
- Occasionally supervised on-site construction activities to ensure compliance and quality standards.

Stack Up Solutions

Lahore, Pakistan

Associate Estimation Engineer

10/2022 - 11/2022

A software company providing digital solutions to different businesses

- Conducted estimation of electrical and mechanical systems for five-floor apartment projects using PlanSwift software for precise calculation and analysis.
- Developed and maintained comprehensive spreadsheets to present and validate project estimations with the Senior Estimation Engineer, ensuring accuracy and alignment with project requirements.

Final Year Project

Influence of Marble Dust on the Properties of Expansive and Collapsible Soil

- Conducted an extensive study on the properties of expansive and collapsible soils across the Nandipur and Khewra regions.
- Systematically collected and organized soil samples for detailed laboratory testing aimed at understanding the swelling and collapsible behavior of these soils.
- Experimented with the addition of industrial by-products, notably marble waste powder, to assess improvements in soil stability and overall properties.

Education

National University of Computer and Emerging Sciences Lahore, Pakistan

Bachelors in Civil Engineering

08/2018 - 08/2022

Punjab Group of Colleges Lahore, Pakistan

Fsc (Pre-Engineering)

09/2015 - 09/2017

Certifications

- Construction Scheduling [Coursera.org, January 2023]
- Oracle Primavera P6 Software Application [Udemy.com, March 2023]
