Dear Hiring Manager,

I am writing today in application to the Assistant Engineer-Civil at City of San Diego. I am confident that my GIS and Primavera Oracle, as well as my experience in the Construction Industry, make me an excellent fit for this position.

As my attached resume outlines, I have 2 years of experience working in the Construction Industry field. I have achieved proficiency in construction, with outstanding results, and I am confident I can achieve similar results for City of San Diego. I am passionate and hardworking, attributes I know are important to your organization. I am looking for an opportunity to refine my skills and develop management skills while offering expertise in Primavera Oracle and GIS.

I greatly appreciate you taking the time to consider my application. I look forward to the opportunity to speak with you further regarding how I can contribute to the continued success of City of San Diego. Thank you again.

Regards,

Sheikh Muhammad Ali
