

Dear Sir / Madam,

I am writing to apply for the Quantity Surveyor / Estimator / Cost Controller position at your company. I hold a BSc (Hons) in Quantity Surveying & Construction from the UK and bring six years of experience in both pre- and post-contract roles.

In my previous position at Hassanesco Trading & Contracting Co. in Qatar, I have been responsible for BOQs preparation based on POMI & NRM2, preparing interim payment applications, evaluating subcontractor progress, and performing cost estimation. My expertise with AutoCAD, Planswift, CostX, and CubiCost 5D BIM ensures accurate project execution and financial management.

I am particularly interested in your company because of its strong track record in delivering high-quality, large-scale construction projects and its commitment to innovative technologies in the industry. I am confident that my background and skills will be a strong asset to your team.

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to the success of your projects.

Best regards,

Sujaith Ameer Ali
Quantity Surveyor / Estimator
