PROFESSIONAL SUMMARY

Detail-oriented and highly skilled MEP Estimator with 2.5 years of experience in accurately estimating mechanical, electrical, and plumbing systems for diverse construction projects. Expertise in performing detailed material takeoffs from blueprints and specifications, ensuring precision and cost-effectiveness in project estimates. Proficient in using industry-standard software (e.g., Bluebeam, PlanSwift) to streamline the takeoff process and generate reliable cost projections. Strong knowledge of MEP systems and construction methodologies.

KEY COMPETENCIES

- Problem-Solving
- Punctuality
- Responsibility
- Time Management
- Execution
- Teamwork

EXPERTISES

- Plan Swift
- Bluebeam Revue
- MS Office (Microsoft Office)

PROFESSIONAL EXPERIENCE

Information Process Solutions

Oct 2023 - Present

MEP Estimator

- The job is to efficiently work with the team to provide MEP Estimation solutions to the clients.
- Performed detailed take-offs and cost estimates for mechanical, electrical, and plumbing systems on commercial and residential construction projects.
- Analyzed construction drawings, specifications, and scope of work to develop accurate estimates.
- Collaborated with project managers, architects, and subcontractors to refine project scopes and costs.
- Generated comprehensive bid packages and proposals, ensuring alignment with client requirements and industry standards.
- Managed multiple projects simultaneously, meeting tight deadlines and maintaining cost accuracy.

Remotely

May 2022 - Sep 2023

Material Take-Off Estimator

- As a Remote Work Take-Off Estimator, I analyzed construction project requirements, generated accurate material and labor estimates, and collaborated with clients to deliver comprehensive and competitive bidding solutions.
- Utilized estimation software like Bluebeam, Plan Swift to streamline estimating processes and ensure accuracy.
- Conducted value engineering to optimize project costs without sacrificing quality or performance.

Nopex Services

April 2021 - Sep 2022

Customer Representative

- Provided exceptional customer service, handling inquiries, resolving issues, and ensuring client satisfaction.
