SUMMARY

I am a dedicated individual who is ambitious to work hard as a part of team as well as under own initiative. I have good communication skills and I am able to cooperate with colleagues and clients in a professional manner. I am highly self-motivated and goal driven. I am able to follow instructions to maintain a high work output with accuracy, efficiency and excellent time scheduling. I am highly eager to gain skills in designing and overseeing construction of infrastructure projects, ensuring adherence to safety and quality standards.
