OBJECTIVE

Explore the technical and management techniques regarding civil engineering and improve communication, computer and management skill. Civil Engineering was the field of my choice. Computer Aided Design and the management side was my preferred side to peruse in my carrier.

EDUCATION

Civil Engineering | NED University of Engineering and Technology

2019 – 2023

Interesting field regarding practical as well as theoretical aspects. Secure 3.0 GPA.

Intermediate | Usman Public School System Campus II

2014 – 2016

Done in Pre-Engineering to pursue my career in engineering side.

EXPERIENCE

Engineer (Contracts & Planning) | Sultan Mahmood & Company

OCT 2023 – PRESENT

Familiarized with the process of government tender procurement, proficiently drafting and submitting Tender/Pre-Qualification Technical proposals for bidding endeavors. Additionally, adept in generating project schedules utilizing Primavera P6 Professional 19.12 software.

Site Supervisor | A&U Company

JUNE 2020 – AUG 2020

Done as an internship and learn the hierarchy system on the side during the construction execution. Labor dealing, material procurement and cost estimation and financial dealing was also learn.

SKILLS

- | | |
|----------------|-------------------|
| • Office | • Communication |
| • ETABS | • Teamwork |
| • AutoCAD | • Leadership |
| • Primavera P6 | • Problem-solving |

ACTIVITIES

FYDP | Hydroponics System

2022 – 2023

In this project, I'm working as the team leader and managing all three sides, i.e. documentation, data collection and analysis and practical progress.

Other Term Projects | Complex Engineering Problem

2020 – 2023

Almost in every CEP Project, I had served as a leader and done computational part.
