

AFAQUE AHMED

Civil Engineer

Mirpur Mathelo - 65040, Pakistan

Phone: +92-315-3414993 | Email: channa.ab5101@gmail.com

LinkedIn: www.linkedin.com/in/ab-channa5101

PROFESSIONAL SUMMARY

Recently graduated Civil Engineer with aspirations to start a career in Construction management, coordination and Planning Engineering. Experienced in construction management, project planning, estimation, and water resource engineering through various internships. Skilled in AutoCAD 2D, Primavera P6, Bluebeam, ETABS fundamentals, project management, team management, and leadership. Passionate about integrating technology into civil engineering practices.

EDUCATION

Bachelor of Engineering (B.E.) in Civil Engineering

Mehran University of Engineering & Technology, Jamshoro

Graduation Year: 2024

Final Year Project: Hydropiezoelectric Canal – Harnessing Maximum Pressure Gradient for Sustainable Energy Generation

- ✓ Developed and tested a system integrating piezoelectricity into canal systems for renewable energy generation.
- ✓ Conducted two-stage experimentation (lab and field scale) to evaluate energy harvesting efficiency.
- ✓ Results demonstrated potential feasibility for large-scale implementation.

Other Key Academic Projects:

Project Management Report on XEN Office Building Construction (Sukkur Barrage) – Modular Building Construction Techniques – Use of Bamboo in Construction Industry – Bascule Bridge Model

Scholarship: Sindh Endowment Fund Scholarship – SEEF 2023

WORK & RESEARCH EXPERIENCE

Engineering Intern

Directorate of Works & Strategic Planning, Mehran UET Jamshoro

July 2024 – October 2024

- Supervised Girls' Hostel Building construction and prepared daily reports.
- Conducted surveying and leveling work for road repairs using Total Station.
- Enhanced practical skills in construction management and surveying techniques.

Engineering Intern

MM Pakistan Private Limited - MMP, Sukkur

June 2024 – July 2024

- Assisted in the **Sukkur Barrage Improvement Project (SBIP)** under the Project Management team.
- Monitored construction of official buildings (XEN Office, Superintendent Engineer Office, PMO Building).
- Prepared daily work reports and conducted flow measurements for barrage discharge analysis.
- Engaged with national and international professionals, gaining practical insights into project management for large-scale infrastructure projects.

Intern

Allied Contractors Private Limited, Karachi

December 2023 – January 2024

- Prepared material take-offs and cost estimates for a boundary wall project in Keamari, Karachi.
- Observed road construction operations and gained insights into site execution best practices.

Intern

M/S Fazal Muhammad Mangrio Firm

May 2023 – June 2023

- Assisted project teams with report preparation and interpreting drawings for laborers.
 - Gained hands-on experience in various construction phases, from planning to execution.
-

TRAINING

Survey Camp – Dept. of Civil Engineering, Mehran UET Jamshoro	2023
✓ Hands-on training in surveying techniques using leveling instruments.	
Civil Engineering Job Simulation – John Holland Australia via Forage	2023
✓ Completed practical tasks in Concrete Take-Off, Subcontract Rates Comparison, Design & Installation, Testing & Commissioning.	

CERTIFICATIONS

Primavera P6 for Beginners – MindLuster	2025
Bluebeam for Everyone – Bluebeam University	2025
Bluebeam in Programming – MindLuster	2025
Small Town Sustainability – ICE & EPDC	2025
Foundations of Project Management – Google via Coursera	2024
MS Excel (365 Functions) – Bilal Consultancy Limited England	2023
Six Sigma Yellow Belt Professional – VMEdU Inc.	2023
Financial Literacy Training – NIBAF & State Bank of Pakistan	2022
MS Word – Zeeshan Online Educational System	2022
AutoCAD 2D – DigiSkills.pk	2021

PUBLICATIONS & CONFERENCES

Research Paper: Piezoelectricity in Canals for River Flow Monitoring & Energy Generation
Manuscript in preparation for submission to ASCE's Journal of Energy (Expected: 2025)

EXTRACURRICULAR & VOLUNTEER EXPERIENCE

Hope Welfare Trust Association, Jamshoro – Volunteer (Community Development)
MUET INTELLIGENCIA, Jamshoro – Volunteer (Organizing Educational & Religious Events)
Pakistan Engineers Forum (PEF) & Dept. of Electronics Engineering, MUET – Member, Organizing Team (Career & Startup Seminar)
Al-Hayat Welfare Foundation, Pakistan – Fundraising Volunteer (Medical Camps & Educational Drives)
Rotary Club Hyderabad – Member, Organizing Team (Echo Empower Summit '24)
Human Rights Council, Hyderabad – Member, Organizing Team (Women's Conference)
Dept. of Civil Engineering, Mehran UET Jamshoro – Member, Organizing Team (3rd ICSDC Conference)

ORGANIZATIONS & SOCIETIES

Member, American Society of Civil Engineers (ASCE)
Member, The Institute of Civil Engineers (ICE)
Prime Minister's Green Youth Movement, MUET Club (2023–2024)
Pakistan Engineers Forum (PEF) (2023–2024)
MUET INTELLIGENCIA (2023–2024)

LANGUAGES

English (Upper Intermediate – B2) - **Urdu** (Fluent) - **Sindhi** (Native)

KEY SKILLS

AutoCAD 2D - ETABS Fundamentals – Bluebeam – Primavera P6 - Project Management -Microsoft Office - Team Management Communication & Leadership - Communication

HOBBIES & INTERESTS

Reading books - Listening to audiobooks & music - Watching movies -Traveling - Sports & video gaming
