SUMMARY

As a recent civil engineering graduate, I am eager to kickstart my career in the industry. Meticulous and analytical recent civil engineering graduate offering established knowledge in engineering principles along with collaborative and active learning skills to work effectively within versatile, high-pressure environments to deliver excellent projects.. My internship experience at Amin Tariq Associate has equipped me with valuable skills.

WORK EXPERIENCE

Remote Work (Upwork, Fiverr, Outsourced)

Jan 2022 - Present

- Created over 25 detailed architectural plans and precise structural designs, ensuring project accuracy and efficiency.
- Developed comprehensive reports for over 20 projects; enhancing project management.
- Performed structural calculations for 5 major projects using SAFE and ETABS software.
- Utilized Primavera P6 to develop detailed project schedules for 2 high-rise building construction projects.

Amin Tariq Associates (Internship)

Jun 2023 - Aug 2023

- Developed proficiency in creating precise 2D drawings using AutoCAD.
- Expertise in analysis and design of structures using Etabs and SAFE.
- Gained comprehensive knowledge of structure designing, analysis and estimation/

Academic Experience

2020 - 2024

- Architectural and Structural Design of 1 Kanal Residential House in Compliance with CDA Regulations.
- Utilized MS Excel to estimate quantities and create comprehensive estimate reports for about 5 projects.
- Developed detailed estimation sheets which improve project cost management and accuracy.
- Learned Primavera P6 and effectively scheduled 3 projects in progress.
- Architectural and Structural Design of Double Storey Shopping Mall including Cinema.
- Comprehensive Soil Investigation Report Preparation for City Infrastructure Projects.

EDUCATION

2020 - 2024

Bachelors of Science in Civil Engineering

University of Engineering and Technology, Taxila (UET Taxila)

CGPA 3.02

PUBLICATIONS

1st Research Publication (ICACEE 2024, UET TAXILA)

21,22 FEB 2024

The Influence of Artificial Intelligence on Practices in Construction Cost Estimation , 3rd International Conference on Advances in Civil and Environmental Engineering (ICACEE-2024) UET Taxila, Rawalpindi, Punjab, Pakistan.

Conference Date : February 21 & 22 , 2024

2nd Research Publication (MTME 2024, GIKI)

20 APRIL 2024

Durability Assessment of Recycled Aggregate Geopolymer Concrete Mixed with Wastewater. 2nd International Conference on Modern Technologies in Mechanical & Material Engineering (MTME-2024) GIK Institute of Engineering Sciences and Technology, Swabi, Khyber Pakhtunkhwa, Pakistan. Conference date: April 20, 2024.

Final Year Design Project (UET TAXILA)

Detail Estimation & Costing of a Civil Engineering Construction Project

SOFTWARE SKILLS & CORE-COMPETENCIES

- | | | | | |
|-----------------------|---------------------|-------------------|----------------------|-----------------|
| • Oracle Primavera P6 | • SAFE | • Sketchup | • Civil 3D | • MS Word |
| • AutoCAD | • ETABS | • STAAD Pro | • MS Excel | • MS PowerPoint |
| • Analytical | • Creative Thinking | • Problem Solving | • Strategic Planning | • Adaptability |
