

ABDUL GHAFAR

abdulghafarjunejo33@gmail.com | +92-345-0176498

LARKANA (77280), Pakistan

PROFESSIONAL SUMMARY

A highly motivated **Civil Engineering graduate from Mehran University**, with hands-on experience in **project management, structural analysis, and site supervision** through multiple internships in the construction and infrastructure sectors. Skilled in **AutoCAD, ETABS, Revit, and Primavera P6**, with a strong foundation in **project scheduling, budget monitoring, and structural design execution**. Demonstrated ability to **collaborate with cross-functional teams**, ensure **quality compliance**, and enhance **operational efficiency**.

EDUCATION & TRAINING

MEHRAN UNIVERSITY OF ENGINEERING AND TECHNOLOGY, JAMSHORO

BE Civil Engineering

November 2020 – December 2024

- **CGPA:** 3.40 out of 4.00
- **Thesis:** "STUDY OF MANUFACTURING PROCESS AND PROPERTIES OF ROMAN- INSPIRED CONCRETE"

GOVT: DEGREE COLLEGE, LARKANA

Intermediate

August 2018 – August 2020

- **GRADE:** A1 (87.27%)

MEHRAN UNIVERSITY OF ENGINEERING & TECHNOLOGY, SINDH

Surveying Camp

January 2023 – January 2023

- Participated in one week surveying camp at Department of Civil Engineering MUET Jamshoro
- During this camp, I enhanced my skills in surveying and levelling techniques and learned the usage of related apparatus and equipment.
- Also incorporated learned skills and knowledge on field.

INTERNSHIPS

M/S ADEEL HUMAYOON, KARACHI, SINDH, PAKISTAN

Intern

June 2022 – July 2022

- **Project:** Various Building projects.
- Contributed to the development and execution of multiple building projects.
- Assisted in drafting project plans and ensuring alignment with design specifications.
- Engaged in cross-functional meetings to facilitate efficient communication and project updates.

M/S FAZAL MOHAMMAD MANGRIO, LARKANA, SINDH, PAKISTAN

Intern

May 2023 – June 2023

- **Project:** DIGITAL LIBRARY CMC LARKANA
- Assisted in preparing project schedules and tracked progress to ensure timely completion.
- Collaborated in designing and executing structural components such as foundations and framing systems.
- Enhanced site management capabilities through active engagement with field professionals.

IRRIGATION DEPARTMENT LARKANA SUB-DIVISION

Intern

Dec 2023 – Jan 2024

- **Project:** CC Lining Gillispie.
- Prepared detailed progress reports and worked closely with engineers to resolve on-site challenges efficiently.
- Conducted site inspections to monitor the implementation of CC lining techniques with accuracy.

MOTT MACDONALD (MMP), SUKKUR, SINDHI

Intern

June 2024 – July 2024

- **Project:** Sindh Barrages Improvement Project.
- Analyzed hydraulic structure designs to ensure compatibility with barrage systems.
- Gained experience in Hydraulic structure and barrage techniques.
- Conducted site visits to monitor construction progress and adherence to safety standards.

SKILLS

- | | |
|---------------------------------|---------------------------|
| • AutoCAD 2D | • ETABS |
| • Project Management | • Microsoft Office |
| • Communication | • Leadership |
| • Collaboration | • REVIT |
| • Bluebeam | • Primavera P6 |
| • Site Supervision & Management | • Construction Management |

SOCIETIES AND ORGANIZATIONS

American Society of Civil Engineers - ASCE

Student Member

2023 – Present

The Institute of Civil Engineers – ICE

Student Member

2023 – Present

Mehran University Civil Engineering Society MUCES

Member

2022 – 2024

COURSES

Autodesk Certified Professional: Revit (Coursera)

AutoCAD for Engineers (MindLuster)

Basics of Concrete Testing (Alison)

Engineering Project Management (Alison)

Bluebeam for Everyone (Bluebeam University)

Bluebeam in Programming (MindLuster)

Basics of Hazard Identification (UniAthena)

Primavera P6 (MindLuster)

Construction Safety and Health (NYC Construction Safety Training)
