ZAIN UL ABIDEEN

LOOKING FOR AN OPPORTUNITY IN BIM | QUANTITY TAKEOFFS | PROJECT MANAGEMENT & SCHEDULING

EDUCATION

MATRICULATION & FSC

FAZAIA INTER COLLEGE E-9, ISLAMABAD
90.72% & 87.36% Respectively

BSc Civil Engineering

UET PESHAWAR, PAKISTAN
2021 - 2025

CGPA: 3.28 (Till 6 semester, 7 semester is not yet announced)

WORK EXPERIENCE

DESIGNMEN COSULTING ENGINEERS (PVT) LTD, ISLAMABAD (INTERN)

[24-7-2023] – [19-9-2023] (2 Months)

At Designmen Consulting Engineers, I worked on a 2 Kanal School Building in Peshawar, Pakistan, where I developed a structural model in Revit Structure. My responsibilities included drafting structural members such as beams, columns, and footings, creating schedules and sheets, and ensuring accuracy based on project drawings. Additionally, I modeled a multi-story frame structure to enhance my expertise in Revit Structure before progressing to architectural modeling.

Finally, I compiled my work into a **Revit Structural Portfolio**, showcasing my skills in BIM and structural detailing.

NESPAK (PVT) LTD, ISLAMABAD (INTERN)

[8-7-2024] – [19-7-2024] (1 Month)

At NESPAK, I worked on a basic architectural and structural model, focusing on room modeling, structural detailing, and drafting. My tasks included structural element drafting, bar bending schedules (BBS), and Revit-based detailing.

KHI TAMERAAT (PVT) LTD, RAWALPINDI (REMOTE INTERN)

August 2024 – September 2024 (1 Month)

At Khi Tameerat, I worked on modeling an existing bungalow in Revit Architecture. The process involved exporting PDF files to AutoCAD, importing them into Revit, and accurately modeling the project based on the provided drawings.

FINAL YEAR PROJECT (FYP)

4D SIMULATION OF CONSTRUCTION PROJECTS USING BIM AND PRIMAVERA

SKILLS

Auto CAD
Revit Structure & Architecture
Primavera P6
Navisworks
Ms Office
Planswift & Bluebeam (Will Learn during semester)
