📍 Work: Wapda Town, Lahore (Pakistan)

ABOUT ME

I am civil engineer with **good skills in designing building & Structural Analysis**. I have applied these skills in different Projects, I done in UET Lhr, where I graduated. I have **rich concepts of structure, loads, building codes** & designing. Now, intended to work with organizations serving the safe design of structures.

WORK EXPERIENCE

Structural Engineer

University of Engineering & Technology [Sep 2022 – Apr 2024]

City: Lahore | Country: Pakistan

Design of Concrete Structures:

- Residential Building.
- Commercial (Multistory) Building
- Water Structures.

Design of Steel Structures:

- Roof Truss By AISC LRFD Method.
- Steel bridge.
- Industrial Building.

Finite Element Engineer

University of Engineering & Technology [May 2023 – Jul 2024]

City: Lahore | Country: Pakistan

PROJECT TITLE: '3D Finite Element Modeling of Early-Age cracking behavior in Continuously Reinforced Concrete Pavement (CRCP) Slab'.

- Different Classes of concrete.
- Different Aggregate Types.
- Different External Temperatures of Seasons.
- With and without sawcut

EDUCATION AND TRAINING

B.S Civil Engineering

University of Engineering & Technology Lahore [Oct 2020 – Oct 2024]

City: Lahore | Country: Pakistan | Website: <https://www.uet.edu.pk/>

F.Sc Pre-Engineering

Forman Christian College & University (FCCU) [Sep 2018 – Sep 2020]

City: Lahore | Country: Pakistan | Website: <https://www.fccollege.edu.pk/>

Matric in Science

Divisional Public School [Apr 2016 – Aug 2018]

City: Lahore | Country: Pakistan | Website: <https://www.dpslahore.edu.pk/>

DIGITAL SKILLS

Engineering Skills

Civil Engineering Design / Finite Element Analysis / Structural Dynamics / Structural Engineering / Earthquake Resistant Design

Softwares

SAP2000 / DIANA FEA / AutoCAD / Microsoft office / Excel, PPT, Word / Revit

LANGUAGE SKILLS

Mother tongue(s): Urdu

Other language(s):

English

LISTENING B2 **READING** B2 **WRITING** B2

SPOKEN PRODUCTION B2 **SPOKEN INTERACTION** B2
