

ABDULLAH AHMAD

Civil Engineer

+923000843109 • me.pashaaa@gmail.com • Lahore - Pakistan

Summary

Enthusiastic and dedicated Civil Engineering Professional with a robust academic background in construction & project management, Geotechnical, Irrigation, and structural analysis. Proficient in applying engineering principles to solve practical challenges and enhance project team efficiency. Effective communicator with strong analytical skills, adept at collaborating across disciplines to achieve project goals. Eager to contribute technical expertise and enthusiasm to real-world engineering projects that drive innovation and sustainable development.

Experience

Research - University Of Engineering & Technology - Lahore	LHR - PK
Design And Economic Analysis Of Pavement With Variation In Subgrade And Traffic	2022 - 2023
• Gained practical experience in conducting comprehensive subgrade analysis to assess its impact on pavement design and performance. • Developed proficiency in using engineering software tools to model and simulate Enhanced understanding of economic analysis methodologies in infrastructure projects, including cost estimation and lifecycle assessment. Acquired skills in interpreting and applying pavement design standards and specifications to optimize durability and safety. Improved project management abilities through coordinating research, data collection, and analysis phases to meet project milestones effectively.	
IBEX Global	LHR - PK
Customer Care Representative - Walmart Campaign - Batch 1500	06/2023 - 09/2023
• Conflict Resolution And De-escalation • Team Coordination And Management • Enhanced communication skills through daily interactions • Mastered problem-solving techniques to efficiently address customer concerns • Developed proficiency in handling customer inquiries, complaints, and feedbacks And Resolving Concerns Efficiently	
Intern Site Engineer At MMA Constructions Pvt. Ltd	LHR - PK
Multistory Building - Gulberg III	05/2022 - 09/2022
• Supervision Of Steel Reinforcement - Concrete Pouring And Subcontractor Management • Technical Reporting And Documentation • Supervision Of Raft Foundation Construction	
Survey Camp At Abbotabad	KPK - PK
University of Engineering And Technology (UET) - Main Campus	07/2021 - 08/2021
• Site Analysis • Determination of Elevations & Reduced Levels using Autolevels • Contour Maps and Drawings • Feasibility And Field Report	
Industrial Tours	KPK - PK
University of Engineering And Technology (UET) - Main Campus	2019 - 2023
• Visit To Cement Production Plant • Nandipur Hydropower Power Plant • Tarbela Dam - Haripur • Daimir Basha Dam Site	

Education

Bsc. Civil Engineering

LHR- PK

University of Engineering And Technology (UET) - Main Campus

2019 - 2023

- Developed a strong foundation in fundamental civil engineering principles, including structural analysis, geotechnical engineering, Irrigation Engineering and construction management - Project Management.
- Acquired proficiency in using industry-standard software such as AutoCAD, SAP2000, and GIS, MS Project for design, analysis, and project planning.
- Enhanced problem-solving skills through coursework and practical projects, applying engineering theories to real-world challenges.
- Applied knowledge of sustainable design principles in civil engineering projects.
- Developed teamwork and communication skills through collaborative projects and presentations

Punjab College

LHR- PK

FSc. Pre-Engineering

2017 - 2019

- Subjects - Physics - Chemistry - Mathematics
- First Division

KIPS School

LHR- PK

Matriculation - Science

2015 - 2016

- First Division
- 885 / 1100

Strengths

Soft Skills

Teamwork: Collaborated and participated in industrial project under as a key team member and Volunteered my time and skills to support community initiatives.

Communication skills: Excellent Communication & presentation Including customer handling skills in English and Urdu.

Management skills: Organized and managed university projects and small student teams as a student lead.

Productivity: Maintained high levels of efficiency and output in academic coursework and project assignment.

Language: English (Fluent), Urdu (Mother tongue), Punjabi (Fluent)

Intrinsic Skills

Technical Documentation: Experienced in preparing and managing comprehensive technical documentation. - Produced Several Technical Reports During Degree And Lab Work.

Environmental Adaptability: Skilled at working effectively in diverse and challenging environments.

Performance Under Pressure: Demonstrated ability to deliver results under strict deadlines and high-pressure conditions.

Quality Assurance and Maintenance: Proficient in maintaining high standards in Quality Control And Ensuring Maintenance Of Quality.

Technical Skills

Microsoft Office: Word, Excel, PowerPoint & MS Project

Programming Languages: Visual Basic, QuickBasic, Python, AutoCAD, MATLAB

Engineering: ETabs, SAP2000, AutoCAD Planswift, GIS And Primavera.

Certifications

Google Project Management: — Google Career Certificates Professional Certificate

CS50: Computer Science for — Harvard University Business Professionals

Introduction to the Emergency — World Health Organization (WHO) Response Framework (ERF)

An introduction to strengthening — UNICEF capacities within the cluster system

Business Analysis & Process Management — Coursera Project Network

Corporate Finance — Corporate Finance Institute (CFI) Fundamentals

The Basics of Scrum — Project Management Institute (PMI)

Forage Agile Project — JP Morgan Chase & Co. Management Internship

Get started with Jira — Coursera Project Network
