 30th March 2002

OBJECTIVE

To apply my civil engineering expertise in high-tech construction and infrastructure projects by integrating advanced technologies, data-driven solutions, and sustainable practices. I aim to contribute to innovative engineering developments while enhancing my technical skills through hands-on field experience and interdisciplinary collaboration.

SKILLS

- Autocad Design
- cost estimation
- Project Management
- Abaqus Simulation and Modeling
- Microsoft Skills i.e., PowerPoint, Word, Excel
- Good Communication
- Good in presentation
- Pressure Handling

LANGUAGE

- ✓ English
- ✓ Urdu
- ✓ Punjabi

INTERESTS

- Welfare Activities:
As an active member of Kaar-e-Kamal Bhalwal social welfare society.
- Participated in a community service in which we collected donations and did the renovation

EDUCATION

Government High School Salam Sargodha
Matriculation
Grades - **Marks :1013/1100**

2017-2019

Punjab College Bhalwal Sargodha
Faculty of Science in Pre-Engineering
Grades - **Marks: 1081/1100**

2019-2021

University of Engineering and Technology Lahore
Bachelor of Civil Engineering
Grades - **Current CGPA : 3.653/4**

2021- Present

EXPERIENCE

Buildings and Works Department at UET Lahore
Summer internship

**17th June 2024 -
30th July 2024**

A civil engineering internship at construction sites provides practical experience in project execution, structural analysis, and cost estimation, bridging the gap between theory and practice.

- Assessed site progress and design compliance.
- Estimated construction costs.
- Interpreted drawings hands-on.
- Gained insights into construction management.

University of Engineering and Technology (UET) Lahore
Abbatabad Survey Camp

**24th July 2024 - 3rd
Aug 2024**

Surveying is vital for civil engineers as it provides essential data for site analysis, design accuracy, and construction planning, ensuring projects are built on a solid foundation.

- Gained practical experience in land surveying techniques.
- Operated survey equipment for accurate data collection.
- Prepared site maps and profiles for continuous varying terrain.

SHORT COURSES

Freelancing Course

AutoCad Course

Construction Cost Estimation and Cost Control

Foundation of Project Management

ACHIEVEMENTS & AWARDS

✓ Attended the 2024 Abbatabad Survey Camp organized by Department of Civil Engineering of UET Lahore and received the Best Survey Group award.

✓ 1.Excellent academic and character Certificate Awarded by Punjab College Bhalwal, Sargodha

✓ Acknowledged as the "Member of the Month" by Kaar-e-Kamal Bhalwal social welfare society

✓ Leader of Kaar-e-Kmal Bhalwal welfare Society

CERTIFICATIONS

Prime Minister's Cardiopulmonary resuscitation (CPR) Training Program offered by Rescue 1122

and Repair work in the primary school present within the UET, Lahore

- Engineering Seminars organized by Pakistan Engineering Congress

Appreciational Certificates offered by Society of Civil Engineering (ICE) department of UET Lahore in CIVCON_12 Competition!
