PROFESSIONAL SUMMARY

Enthusiastic and detail-oriented writer with over 4 years of experience writing and refining written content across various formats, including articles, social media, marketing materials, and online publications. Proficient in grammar, punctuation, and style guidelines, with a keen eye for consistency and clarity. Passionate about sustainability, travel writing, and storytelling.

WORK HISTORY

Travel Writer / Compose.ly / August 2024 - Present

- Developed, wrote, and edited 1-2 articles per day including travel guides, blog posts, and itineraries for locations across the world.
- Successfully managed multiple, overlapping deadlines and effectively worked under pressure to complete projects ahead of schedule.

Communications Coordinator / UK HealthCare / June 2023 - July 2024

- Developed and managed over 120 projects from concept to completion, including press releases, advertisements, brochures, informational articles, social media posts and other marketing collateral in support of strategic goals.
- Created and edited original copy, reviewed copy from outside stakeholders, and consistently delivered error-free content in a timely manner.
- Adhered to strict brand standards and language formatting, ensuring a cohesive brand voice in all graphic design and written media.
- Maintained and completed massive data entries such as marketing expenditures and project logs, contributing to the reaccreditation of our organization.
- Facilitated weekly check-ins, participated in team meetings, and effectively utilized project management platforms in order to stay in touch with team members while working remotely.

Communications and Programmatic Support Intern / UK Office of Sustainability / 2021 - 2023

- Successfully coordinated components necessary for managing UKY's sustainability blog, WholeSum.
- Facilitated editing, publishing, formatting, and networking on behalf of the Office of sustainability.
- Tripled website traffic within first month.
- Effectively communicated with stakeholders involved in sustainability on campus and collaborated on numerous publications, all from a hybrid setting.
- Supported the development of a campus-wide sustainability strategic plan through the implementation of a communications and media-release plan.

Undergraduate Research Assistant / Louie B. Nunn Center for Oral History / 2022

- Transcribed and indexed interviews highlighting the Black Women in Bourbon Oral History Project.
- Quickly mastered the transcription style guide and Oral History Metadata Synchronizer software in order to prepare the interviews for public access.

Assistant Production Manager / Creative Coffees Roastery / 2017 - 2022

- Gained experience in interpersonal communications, media marketing, advertisement, public relations, social media, and promotional sales.
- Trained employees and fostered a friendly, supportive work environment.
- Assisted in networking, marketing, and curating branded content.
