September 2022 - January 31, 2025

- Oversaw, accounted, and maintained budgets for a total of \$2.25 million dollars in grant awards and program expenses for 2 Shared Gifting & Shared Learning Cohort programs.

- Served as the point-person for 40+ individual Grow Grant applicants bi-annually and regularly holding a leadership role for the Grow program's community grant review.

- Continuously established and maintained a welcoming, inclusive environment for participating BIPOC-led and/or serving organizers in New England.
- Further developed expertise in the subject of participatory grantmaking by supporting, developing, and successfully executing equity-driven philanthropic models aligned with the Principles of Environmental Justice and the organization's Guiding Practices, which support the unique and diverse needs of BIPOC and ad-hoc + non-501(c)3 grassroots organizations in New England.
- Independently managed multiple concurrent tasks and deadlines with minimal overhead supervision from Executive Co-Director; thrived in a self-directed position with a small, passionate team.
