OBJECTIVE

Motivated and detail-oriented civil engineering graduate with a strong foundation in engineering knowledge, construction management, and geotechnical analysis. Seeking an entry-level position to contribute to impactful projects and enhance technical expertise. Proficiency in software like AutoCAD, Knowledge of construction materials and site safety practices and Strong problem-solving and teamwork abilities.

PROFESSIONAL EXPERIENCE

NESPAK NATIONAL ENGINEERING SERVICES PAKISTAN

Site Engineer, June 2024

- I had a role of site supervision and there I monitored construction activates to ensure the alignment with design plans and safety regulations.
- Coordinated with contractors to address on-site challenges efficiently.
- Calculated material requirements for various project components and assisted in preparing cost estimation and tracking resources usage.
- Helped develop timelines and schedules for project phases and learned about the different drawings.
- Enable to read BBS (bar bending schedule) and conducted field measurements and topographic surveys.

HAVELI BUILDERS

Site Engineer, August2024– September2024

- Actively contributed to the construction of road as a site engineer.
- Calculated material requirements for various project components and assisted in preparing cost estimation and tracking resources usage.
- Helped develop timelines and schedules for project phases and learned about the different drawings.

MANGED A EVENT OF ICE (INTERNATIONAL CIVIL ENGINEERING SOCIETY)

Technical head of the team, 2022/2022

- I have managed the international ICE event and made it successful.
- Managed the whole team and promote everyone to contribute on that event.

EDUCATION

UNIVERISTY OF MANAGEMENT AND TECNOLOGY (UMT)

BEACHOLRS IN CE:2020/2024

FOUNDATION PUBLIC SCHOOL

INTERMEDIATE:2017/2019

CADET COLLEGE SANGHAR

MATRICULATION:2015/2017

ADDITIONAL SKILLS

- AUTOCAD
- PLANSWIFT
- PRIMAVERA P6
- Proficient in Microsoft Office (Word, Excel, PowerPoint)
