ABOUT ME

Civil Engineering student with a strong interest in structural design, innovative construction methods, and sustainability. Proficient in industry-standard tools such as Revit, AutoCAD, ETABS, and Primavera. Passionate about transforming ideas into real-world solutions through technical expertise and creative problem-solving. Eager to contribute to sustainable engineering practices while advancing my career in civil and structural engineering.

WORK EXPERIENCE

Internee (*Defence Housing Authority*)

Lahore, Pakistan 06/2024 - 08/2024

- Helped in checking construction work on site.
- Assisted in reading drawings and project plans.
