

MUHAMMAD HAMMAD ASGHAR

CIVIL ENGINEER

Taxila, Pakistan

hammadasghar1016@gmail.com | [linkedin.com/in/hammad-asghar](https://www.linkedin.com/in/hammad-asghar) | +92 310 5818068

PROFESSIONAL SUMMARY

As a distinguished Civil Engineering graduate with an outstanding academic record, I am eager to apply my skills and knowledge to real-world projects. Proficient in design, analysis, construction management, and with hands-on experience in the development sector through a training at DHA site operations in Pakistan, I excel in teamwork and communication. Passionate about innovation, I seek opportunities to drive high-impact projects that combine physical infrastructure with advanced engineering practices

EDUCATION

2020 – 2024	UNIVERSITY OF ENGINEERING & TECHNOLOGY, TAXILA BS. Civil Engineering	CGPA 3.54/4
2018 – 2020	F.G DEGREE COLLEGE FOR MEN WAH CANTT. Intermediate Pre-Engineering	87.5 %
2016 – 2018	F.G PULIC SECONDARY SCHOOL MEHFOOZ ROAD RAWALPINDI Matriculation Computer Science	92.36%

PROFESIONAL EXPERIENCE

30/09/24 – 30/03/25	CAPITAL DEVELOPMENT AUTHORITY (CDA), ISLAMABAD. Management Trainee Engineer - Reviewed and analyzed over 30 building plans for regulatory compliance, improving approval turnaround time. - Conducted site inspections and enforced design adherence, ensuring zero non-conformances during audits. - Maintained digital records of inspections and initiated corrective actions for unauthorized constructions.
01/08/24 – 25/09/24	POF INSTITUTE OF TECHNOLOGY, WAH CANTT. Site Supervisor (Intern)-Onsite - Supervised daily progress of G+7 residential flats and coordinated contractor schedules. - Prepared cost estimates using MES Schedule of Rates and performed quantity take-offs using AutoCAD drawings. - Rendered residential and office layouts using Home-Styler.

17/07/23 – 18/08/23

DEFENCE HOUSING AUTHORITY RAWALPINDI.

Site Supervisor (Intern)-Onsite

- Gained hands-on experience in infrastructure development including roads and utilities.
- Oversaw sewerage and water system installation and visited concrete/asphalt batching plants.

ACADEMIC PROJECTS

PLANNING AND SCHEDULING OF MULTI STOREY BUILDING (FYDP)

- Developed and maintained detailed project schedules using Primavera P6, ensuring alignment with project milestones and deliverables.
- Identified critical path activities and analyzed schedule dependencies to highlight potential project risks.
- Proposed and implemented mitigation strategies to address schedule delays, improving overall project timeline adherence.

DESIGN OF ALTERNATIVE ROUTE ALIGNMENT – KALAT TO MUSTANG

- Geometric Road Design using Civil-3D.
- Rigid and Flexible Pavement Design in compliance with AASHTO Standards.
- Cost Comparison between Rigid and Flexible Pavement in compliance with NHA SOR.

DESIGN OF A TWO STOREY RESIDENTIAL BUILDING AND COMMERCIAL PLAZA

- Structural analysis using ETABS and design verification using UBC-97 and SAFEv21.

TECHNICAL SKILLS

Planning Tools – Primavera P6, PlanSwift and MS Excel.

Design Tools – AutoCAD, Revit, CIVIL 3D, ETABS, SAFEv21 and Homestyler.

General Tools – Microsoft Office

SOFT SKILLS

Leadership | Communication | Team Collaboration | Adaptability
