ABOUT ME

A highly motivated Civil Engineer with expertise in project management, planning, quality control, and site execution. Skilled in assessing construction plans, conducting site inspections, preparing accurate estimates, and ensuring compliance with engineering standards and building codes. Proficient in AutoCAD, Revit, and Primavera P6 for precise design, scheduling, and project tracking. Experienced in coordinating with stakeholders, resolving technical issues, and delivering projects on time and within budget while maintaining the highest QA/QC standards.

WORK EXPERIENCE

 **SUFI CITY – MANDI BAHAUDDIN, PAKISTAN**

PLANNING ENGINEER – 15/07/2025 – CURRENT

- Developed and maintained detailed project schedules using Primavera P6 and Excel to ensure timely completion of construction activities.
- Coordinated with design, procurement, and construction teams to integrate timelines and resolve scheduling conflicts.
- Monitored progress, updated schedules for scope/resource changes, and provided accurate forecasts to management.
- Conducted resource allocation and manpower loading to optimize productivity and reduce downtime.
- Prepared and presented Daily/Weekly/Monthly progress reports, highlighting critical path, risks, and mitigation plans.

 **BSM DEVELOPERS PVT LTD – GUJJAR KHAN, PAKISTAN**

JUNIOR PLANNING ENGINEER – 01/07/2024 – 10/07/2025

- Assisted in developing and updating project schedules in Primavera P6 to support project tracking and reporting.
- Collected and validated project data from multidisciplinary teams for accurate schedule updates.
- Prepared daily and weekly progress reports, highlighting status, risks, and key milestones.
- Collaborated with senior planners to identify scheduling bottlenecks and propose corrective actions.
- Monitored project progress against baseline schedules and updated timelines to reflect project changes and constraints.

 **SHAHZAD AYUB ASSOCIATES – LAHORE, PAKISTAN**

ASSISTANT RESIDENT ENGINEER – 02/05/2023 – 30/06/2024

- Conducted detailed site inspections to ensure compliance with QA/QC standards, project specifications, and industry regulations.
- Coordinated with contractors, consultants, and stakeholders to resolve technical and execution issues.
- Maintained accurate documentation, including inspection reports, site diaries, and updated drawings.
- Provided regular progress updates to the client and head office, highlighting risks and recommending corrective actions.
- Monitored project milestones, verified Interim Payment Certificates (IPCs), and prepared precise progress and compliance reports.

 **MAIN GHAZI ENTERPRISE GOVT. CONTRACTOR – LAKKI MARWAT, PAKISTAN**

SITE ENGINEER – 01/05/2022 – 28/02/2023

- Develop detailed design drawings using AutoCAD for road construction project
- Work with project manager to ensure design meets project specifications
- Collaborate with team members and stakeholders to identify and resolve design issues
- Prepare and maintain accurate project documentation, including drawing logs and revision histories
- Participate in site visits and inspections to verify design specifications are being met.
- Perform other duties as assigned by project manager.

 **SAIF ASSOCIATE, PESHAWAR – PESHAWAR, PAKISTAN**

SITE ENGINEER – 06/10/2021 – 25/04/2022

- Support project delivery with AutoCAD and Revit, collaborating closely with the team.
- Prepare detailed engineering drawings, plans, and designs.
- Review and analyze project requirements and specifications.
- Create precise 2D and 3D models and presentations.
- Conduct quality checks on drawings and assist with construction administration, coordinating with contractors and stakeholders.

● **EDUCATION AND TRAINING**

17/07/2017 – 14/09/2021 Pakistan

BACHELOR OF CIVIL ENGINEERING University of Engineering and Technology, Peshawar

Address Peshawar, Pakistan

● **LANGUAGE SKILLS**

Mother tongue(s): **PASHTO**

Other language(s): **URDU** | **ENGLISH**

● **SKILLS**

Microsoft Office | REVIT | ETABs | Primavera P6 | AutoCAD

● **HONOURS AND AWARDS**

AutoCAD – DigiSkills.pk

Survey Camp – UET Peshawar

Construction Project Management – Coursera

Project Mangement Primavera P6 – design and Engineering Consultant
