• <https://www.linkedin.com/in/abdul-rafay925>

I am a Planning Engineer with over 9 months of experience delivering on-time construction projects through effective scheduling and coordination. Proficient in Primavera P6 and MS Project for planning, monitoring, and delay recovery. My greatest strength is my ability to analyze critical path activities, optimize resource allocation, and implement corrective actions to keep projects on track. I am passionate about project efficiency, risk mitigation, and collaborating with cross-functional teams to deliver successful projects. Most importantly, I have a strong drive to be one of the best at what I do, ensuring projects are delivered within scope, on time, and budget. Even if I'm never the best, I won't stop trying to be.

Work Experience

Pakistan Atomic Energy Commission (PAEC)

Planning Engineer Intern

May 25 – Aug 25

Project: Chashma Nuclear Power Plant Unit 5 (C-5)

- Contributed to project planning for 1200 MW nuclear power unit.
- Completed 45-hour Primavera P6 training and applied in live projects.
- Built baseline schedules and monitored weekly milestones with accuracy.
- Reported daily progress, ensuring timely communication to stakeholders.
- Analyzed architectural and structural drawings for accurate planning inputs.
- Performed detailed quantity take-off and estimation using MS Excel.
- Improved data reporting efficiency by creating automated Excel templates.

FGEHA – Ministry of Housing & Works- Islamabad, Pakistan

Site Engineer Intern

June 24 – Aug 24

Project: Chaklala Heights

- Interpreted architectural and structural drawings with 95% accuracy.
- Conducted daily site visits, monitoring excavation and foundation activities.
- Verified compliance with design specifications during early project phases.
- Prepared Daily Progress Reports, enhancing project tracking efficiency.
- Maintained RFI logs, ensuring accurate documentation for smooth execution.

Technical Skills

- *Project Management Tools:* Primavera P6, MS Office, MS Excel
- *CAD Software:* AutoCAD
- *Structural Analysis and Design:* ETABS, SAFE

Education

Bachelor of Science in Civil Engineering

University of Engineering and Technology, Taxila, Pakistan (CGPA: 3.17/4.00)

FSc Pre-Engineering

Pakistan Atomic Energy Commission Boys College, Chashma, Pakistan (Marks: 1019/1100)

Additional Information

- **Certifications:** Primavera P6 (Virtual)
- **Software Skills:** Primavera P6, MS Office, MS Excel
- **Languages:** Chinese, English, Hindi, Urdu, Punjabi.
- **AFFILIATIONS & REGISTRATIONS:** Pakistan Engineering Council.
