● ABOUT ME

Recent graduate in Civil Engineering with leadership experience. Ready to serve the society and to pursue a career in my field. Want to explore new things and always eager to learn. I'm excited to use my skills in a new role. Looking forward to applying my knowledge in practical settings. Passionate about contributing to projects that make a positive impact.

● EDUCATION AND TRAINING

24/11/2021 – 05/08/2025 Mirpur , Pakistan

BSC CIVIL ENGINEERING Mirpur University of Science and Technology

1# Final Year Project:

Ramkot Fort and Baghsar Fort in Azad Jammu and Kashmir (AJK) are historical landmarks experiencing deterioration. This study aims to investigate traditional building materials, their deterioration, and sustainable alternatives for restoration.

Objectives

- Investigate traditional building materials used in Ramkot and Baghsar Forts
- Analyze deterioration and environmental impact
- Identify sustainable restoration materials and techniques
- Develop a restoration framework for heritage sites in AJK

Expected Outcomes

- Comprehensive understanding of the forts' condition and materials
- Sustainable restoration techniques and materials
- Restoration framework for heritage sites in AJK
- Awareness about eco-friendly materials in heritage conservation.

Microsoft Powerpoint | Microsoft Office | Microsoft Word | Facebook | Microsoft Excel

● **NETWORKS AND MEMBERSHIPS**

13/02/2022 – 05/08/2025 Mirpur
Students Development Circle

Students Development Circle is an organisation in Mirpur University of Science and Technology working for the grooming and betterment of university students. I joined back in 2022 in my first year and I served as president in my last year till I completed my graduation.

I also got several certificates and shields of appreciation for managing and organising events throughout my tenure .

● **HOBBIES AND INTERESTS**

Sports

Like to play and watch cricket.

● **MANAGEMENT AND LEADERSHIP SKILLS**

13/02/2022 – 05/08/2025
President

I graduated in August 2025. Besides studying, I gained valuable experience working with a university organization for three years. I served as the President of this organization. I organized and managed many events, which helped me develop leadership and project management skills. I'm good at leading teams and staying positive, even in difficult situations. I'm proud of what I achieved, and I'm excited for my future. I have done these modules in my leadership tenure:

- Book Reading Session
- Seminar on "Freelancing and Artificial Intelligence"
- Community Service tours of different organisations like KORT and AKAB
- Debating Session
- Business Idea competition in collaboration with BIC MUST
- Grand one day Event: MUST XPONENTIA'25 (Final Year Projects Exhibition)
