

MUHAMMAD AHMAD

CIVIL ENGINEER

Gulraiz col.MDA road Multan | mahmad6166747@gmail.com | [www.linkedin.com/in/muhammad-ahmad-\(enr.\)](http://www.linkedin.com/in/muhammad-ahmad-(enr.))

SUMMARY

“Resourceful and detail-oriented in structural design, construction, and project coordination. Proficient in AutoCAD, Microsoft Office, and project management tools such as Primavera and MS Project, with hands-on site supervision experience as a Site Engineer. Skilled in quality control, contractor coordination, and ensuring timely project delivery. Eager to further develop technical and managerial expertise while contributing to innovative, sustainable infrastructure, fit-out, and renovation projects within a dynamic organization.”

TECHNICAL SKILLS

AutoCAD	MS Project	Quantity Takeoff & Estimation
Microsoft Office Suite	Structural Analysis Principles	Technical Report Writing
Primavera P6	Construction Materials & Methods	Reinforced Concrete Design Basi
QGIS	Etabs	Editing , YT Automation

PROFESSIONAL EXPERIENCE

ONE DESTINATION COMMERCIAL BUILDING26-05–20-08-24

Site/Planning Engineer

- Supervising day-to-day site activities for infrastructure and fit-out projects, ensuring work is carried out as per drawings, specifications, and quality standards.
- Assisting in preparing detailed work schedules, material requirements, and manpower plans to support efficient project execution.

FINAL YEAR PROJECT2024- 2025

(Energy dissipation in flood plains by using vegetation)

- Researched energy dissipation in floodplains using vegetation as part of the final year project.
- Designed and conducted lab experiments in a flume using wooden rod models to simulate vegetation.
- Measured flow velocities and energy loss to study flood control applications.
- Analyzed results and proposed practical solutions for sustainable floodplain management.

EDUCATION

Intermediate (F.Sc Pre-Engineering)2019-2021

Nishat College of science for boys , Multan

- 94% Marks(1033/1100
- Focused on core subjects including Mathematics,Physics,and Chemistry.
- Developed analytical and problem-solving skills essential for engineering education

Bachelor’s of Science in Civil Engineering2021-2025

Bahauddin Zakariya University (BZU), Multan

- PEC registered and maintained a CGPA of 3.65
- Completedacademicprojectsfocusedonsustainableandinnovativeconcretesolutionsusinghybridfibers andnanomaterials.
