

Hanzla Khan

📍 **Home** : P.O Nawabpur Teshil Shahpur District Sargodha, 40100, Sargodha, Pakistan

✉ **Email**: khanhanzla264@gmail.com 📞 **Phone**: (+92) 3026223058

Passport: GS4162691 **Date of birth**: 25/12/2000 **Nationality**: Pakistani

ABOUT ME

I am a dedicated and detail-oriented Civil Engineering graduate from UET Taxila. My academic background is complemented by practical expertise in structural analysis, pavement design, and project planning using tools like AutoCAD, Civil 3D, ETABS, and Primavera P6. I am passionate about delivering efficient engineering solutions and eager to contribute to the development of sustainable infrastructure in Pakistan.

WORK EXPERIENCE

Allied Engineering Consultants (Pvt) Ltd.

City: Lahore | **Country**: Pakistan

[2025 – Current] **Trainee Engineer**

Contributed to project management and contract engineering for infrastructure projects, including planning, progress monitoring, contract compliance, client-contractor coordination, technical reviews, tender evaluations, and issue resolution.

Defence Housing Authority Islamabad-Rawalpindi

City: Rawalpindi | **Country**: Pakistan

[2024] **Trainee Engineer**

Conducted site inspections as per project specifications, assisting in estimation, planning, and architectural drawings. Participation and observation in dynamic pile testing at site "Jacaranda Tower Saddar Rawalpindi".

National Highway Authority, Pakistan

City: Lahore | **Country**: Pakistan

[2023] **Trainee Engineer**

Pavement Design, Bidding and Tendering, Maintenance Supervision, Road Construction Testing, Road Construction Drawings

Millennium tower San Francisco

City: san francisco | **Country**: United States

[2023] **Educational researcher (remote)**

San Francisco's Millennium Tower experienced significant settlement and tilting due to soil compression and dewatering from nearby construction. A deep foundation retrofit using perimeter piles anchored to bedrock was implemented to stabilize and partially correct the tilt.

EDUCATION AND TRAINING

[2021 – 2025] **B.S.c Civil Engineering**

University of Engineering and Technology Taxila <https://www.uettaxila.edu.pk>

City: Taxila | **Country**: Pakistan | **Final grade**: 3.16/4

[2019 – 2021] **Higher Secondary School Certificate (HSSC)**

SKILLS

Microsoft Office | Civil 3D | AutoCAD, Revit Architecture, | PTV visum | ArcGIS Desktop/Pro (advanced) | Very Good command of civil engineering softwares (Auto CAD SAP ETABS MS-Project) | C C++ languages | python basic | Primavera p6 | MatLab (basic)

FINAL YEAR THESIS

[2024 – 2025] **Performance evaluation of fluid mastic asphalt using empirical methods**

CONFERENCE PAPER

[2024] **Key Factors Influencing Stakeholder Management in Design-Bid-Build Projects**

PROJECTS

[2025] **Design and Analysis of Mul-Story RCC building**

Design and Analysis of Reinforced Concrete Structure using ETBS and SAFE so ware.

[2024] **Design of Road pavement by Marshal Mix Design**

Marshal Mix Design and cost estimation on using MRS. Proficient in applying AASHTO standards for road design, transportation on planning, and traffic impact assessments.

[2024] **Comprehensive Soil Investigation Using Soil Machines and Laboratory Experiments**

Soil Investigation Using Field Testing and Laboratory Methods: SPT, Proctor Test, Atterberg Limits, and Direct Shear

[2023] **"Design and Horizontal/Vertical Alignment of Road from Sargodha to Faisalabad Using AutoCAD Civil 3D"**

This project provides practical application of Civil 3D tools like alignments, profiles, assemblies, corridors, and material volume calculations, simulating a real-world infrastructure project.

[2023] **Construction Planning & Management**

Planning & Scheduling of a 10 Marla Residen al Building using Primavera P6.

[2023] **Drawing Estimation & Construction Project**

Drawing & Estimation on of a 5 Marla Residential at building using AutoCAD & Excel.

RECOMMENDATIONS

Name: Dr. Imran Hafeez Teacher

Hanzla Khan is an outstanding student with exceptional academic performance and a deep understanding of civil engineering principles. He demonstrates intellectual curiosity, practical application of complex concepts, and strong problem-solving skills

Phone number: (+92) 519047662 | **Email:** imran.hafeez@uettaxila.edu.pk

Name: Dr. Naveed Ahmad Teacher

He has consistently demonstrated exceptional academic performance, intellectual curiosity, and a profound dedication to the field of civil engineering. Their ability to grasp complex concepts and apply them practically is remarkable.

Phone number: (+92) 3000446115 | **Email:** naveed.ahmad@uettaxila.edu.pk
