

ABDUL REHMAN

Civil Engineer

ABOUT ME

Motivated and detail-oriented Civil Engineer with over 2 years of hands-on experience in site supervision, quality control, and project execution for both commercial and residential building projects. Well-versed in local construction practices, terrain conditions, and community needs. Proficient in industry-standard tools including BIM, AutoCAD, Revit, and Primavera. Dedicated to delivering high-quality, cost-effective solutions while contributing to sustainable and large-scale infrastructure development.

EXPERIENCE

Site Engineer 06/2025 - Present
DHA Peshawar , KPK , Pakistan

- Worked as Site Engineer on a commercial plaza in DHA Peshawar. Supervised site activities, ensured compliance with drawings, and maintained quality control. Assisted with layout markings, coordinated with subcontractors, prepared reports, and resolved on-site technical issues.

Site Engineer Finishing 05/2024 - 09/2024
MA Construction Company Islamabad , Pakistan

- Assisted in execution and supervision of interior works for medium-scale residential and commercial projects.
- Reviewed interior layout drawings, finishes, and material specifications to ensure compliance with design and quality standards.
- Coordinated with subcontractors, monitored daily site activities, and reported progress to ensure timely completion of works.
- Resolved on-site issues related to fit-outs, MEP coordination, and material approvals.

Site Engineer Trainee 05/2023 - 08/2023
Abbasin Builders & Developers Peshawar , Kpk Pakistan

- Supervised on-site activities and ensured adherence to drawings.
- Maintained quality control and assisted with layout markings.
- Monitored progress and coordinated with subcontractors.
- Prepared reports, verified material usage, and resolved technical challenges.
