ABOUT ME

An enthusiastic Civil Engineering graduate (2025) with a solid academic background and practical exposure through projects, research, and internships. Proficient in essential engineering software and equipped with strong analytical, problem-solving, and teamwork abilities. Actively participated in academic and extracurricular activities, developing leadership, communication, and organizational skills. I am eager to professionally grow and apply my theoretical knowledge to practical engineering challenges.

EDUCATION AND TRAINING

BS Civil Engineering

Khwaja Fareed University of Engineering & Information Technology, Rahim Yar Khan, Pakistan

Country: Pakistan

WORK EXPERIENCE

Punjab Highway Department

Trainee Engineer

[24/06/2024 – 19/08/2024]

SKILLS

Leadership / Teamwork / Proficient in Urdu and English / Effective verbal and written communication / Strong theoretical knowledge of Civil Engineering principles / Basic understanding of construction methods and site practices / Problem Solving and Critical Thinking / Emerging Researcher / Basic knowledge of AutoCAD, ETABS, ANSYS Fluent, Primavera P6, PlanSwift, Bluebeam, and MS Office

PROJECTS

Modeling the Effects of Coastal Vegetation with Crown Part in Mitigating Tsunami and Flood Current (FYP)

Sustainable Water Purification: Deploying Portable Solar Distillers in Cholistan

CONFERENCES AND SEMINARS

The 14th International Civil Engineering Conference (ICEC-2024), NED Karachi, Pakistan

1st International Conference on Exploring Innovative Solutions for Energy and Water Challenges (ICEWS 2025), Khairpur Mirs, Pakistan.

1st International Conference on Climate Change, Mitigation, and Environmental Sustainability (ICCMES-25), QUEST Nawabshah, Pakistan

The 15th International Civil Engineering Conference (ICEC-2025), NED Karachi, Pakistan

Hydraulics Research Seminar Civil Engineering Department, KFUEIT Rahim Yar Khan

PUBLICATIONS

Modeling the Effects of Coastal Vegetation in Mitigating Tsunami and Flood Current

Publisher: Scientific. Net

Ahmad, S. M., Anjum, N., Abbas, M. S., Shahid, A., Bukhari, A. B., Sohail, A., Ahmad, Z., & Aslam, H. (2025). Modeling the Effects of Coastal Vegetation in Mitigating Tsunami and Flood Current. Constr. Technol. Archit., Vol. 17, pp. 181–189.

Modeling The Role Of Submerged Coastal Vegetation In Mitigating Tsunami And Flood Currents

Authors: : Syed Muhammad Ahmad Bukhari *, Naveed Anjum , Saad Abbas , Adnan Shahid , Abdul Basit Bukhari , Ahmad Sohail , Zain ul abideen

HONOURS AND AWARDS

Certificate of Appreciation (As Event Organizing Member)

Certificate of Internship completion from Punjab Highway Department

Awarded with Laptop through Prim Minister's Laptop Scheme 2023

Certificate of Presenting a Research Paper in 14th ICEC

Certificate of Presenting a Research Paper in ICEWS-2025

Certificate of Presenting a Research Paper in ICCMES-2025

Certificate of Green Youth Movement Club Membership (through Prime Minster)

Certificate of Completion of Survey Camp

Certificate of Participation in Vedio Documentary Competition Green Youth Movement Club

Certificate of Participation in Poster Competition Green Youth Movement Club on Green Day Event (also winner with 1st position)

Certificate of placing on Dean's Honor Roll For Semester Fall 2024

Certificate of Organizer Under Green Youth Movement Club

IGNITE NGIRI Final Year Research Project (FYP) Funding by National Technology Fund. (2024)

Secured 1st Position among 8 competing groups during the official FYP Exhibition 2025

Received the Best Researcher of the Batch award for outstanding research contribution

VOLUNTEERING

Community Service - Heat Wave Awareness Campaigns Public Speaking & Presentations

Awareness Campaigns on Water Conservation

RECOMMENDATIONS

Name: Dr. Naveed Anjum | Assistant Professor (Head of Civil Engineering Department, KFUEIT Rahim Yar Khan)
Head of the Civil Engineering Department and Supervisor of my Final Year Project; provided mentorship in research, technical writing, and project execution, and is well acquainted with my academic performance and professional skills

Email: naveed.anjum@kfueit.edu.pk | Phone number: (+92) 685882488

Name: Engr. Dr. Muhammad Ashraf | Assistant Professor
Assistant Professor in the Agricultural Department and Focal Person of the Green Youth Movement (GYM) club at KFUEIT; guided and supervised me during my role as Water Conservation theme lead in conducting awareness campaigns and executing the project "Sustainable Water Purification: Deploying Portable Solar Distillers in Cholistan."
Email: dr.ashraf@kfueit.edu.pk | Phone number: (+92) 685882440
